Bond Premium rate is \$15 per thousand dollars of the bond amount with a minimum \$100 premium.  
For example: a car valued at \$5,000 would require a bond to be issued with a value of \$10,000. At \$15 per thousand, the bond would have a \$150 premium.

Please note – The bond premium is non-refundable and the bonds may not be cancelled. A rider may be issued to make a correction to the bond information; such as correcting the VIN#. A bond rider does not carry a fee unless the bond amount increases.
